Kneipp Path

The signature Kneipp pools are our favorite water therapy; 2 pools, uniquely shaped in the form of an "L," one side is cold water and the other is hot. You will easily walk the paths with only 3.5 feet of water depth. Different shaped stones that ignite reflexology points in the base of the feet line of each pool's floor. The journey begins with cryo-therapy wraps and clay mask infusions for the lower extremities. A guided walk through the Kneipp pools is the next step, and the journey ends with our very own Foot Rescue massage.
