A visit to Evexia is a chance to escape the stresses of daily life and give yourself up to the indulgent treatments created by our dedicated spa team. The spa staff is happy to discuss your needs and develop a regime to suit you.

Kneipp Path

The signature Kneipp pools are our favorite water therapy; 2 pools, uniquely shaped in the form of an "L," one side is cold water and the other is hot. You will easily walk the paths with only 3.5 feet of water depth. Different shaped stones that ignite reflexology points in the base of the feet line of each pool's floor. The journey begins with cryo-therapy wraps and clay mask infusions for the lower extremities. A guided walk through the Kneipp pools is the next step, and the journey ends with our very own Foot Rescue massage.
