SPA

ευεξία (Evexía) means 'well-being' in Greek

The indigenous concept of EVEXIA invites you to live wholeheartedly in the spirit of health and wellbeing where your energy feeds your purpose so that happiness fills your life.

Evexia inspires you to achieve your dreams effortlessly and gives you the strength to embrace life's twists and turns.

At Andronis' Evexia Spa we approach you as the unique individual that you are, offering you our philosophy of holistic well-being so you can rediscover your best self and, most importantly, live in harmony with yourself.

With the powerful energy of volcanic, sun-drenched Santorini, combined with our culture of 'xenia' – where we welcome you as our friend – we wish you an unparalleled experience here with us.

The Three Essences

by **Andronis**

We source our essences from Oriad Athens, a Greek brand inspired by the purity and natural beauty of Greece. Each plant—its petals, roots, and leaves—is carefully distilled into essential oils of the highest healing vibration.

Infused with the energy of earth, sun, and sea, these oils awaken the body, calm the mind, and nourish the spirit, guiding you gently back to your natural harmony and beauty.

● Rest & Calm

● Balance

Andronis Holistic Ritual

ευεξία (Evexía) means 'well-being' in Greek

We've created a Holistic Ritual to elevate your energy to a whole new level.

Start your ritual in our exclusively-designed Kneipp Walk, a hot and cold reflexology pathway that awakens your senses and helps you detox and release stagnant energy, thanks to temperature changes and pressure points at your feet.

Next, you receive a feet and leg refreshment with a cooling gel, drenched in essential oils that boost your metabolism and invigorate your lymphatic flow, while we massage your scalp to release mental and physical tension.

You continue with a mineral-rich seaweed mask, which we apply to your legs, as you unwind further to the sound of our Koshi chime whose crystalline notes lift your vibration and carry away your thoughts. After your shower, we give you a whole-body, holistic massage so that you leave feeling 'all, whole and entire'. You'll also enjoy a delicate smoothie that we've created especially for this experience.
