Win A Honeymoon in Paros at Andronis Minois

by KENDRA LEAVER-RYLAH / September 2, 2025 in **Partnerships, Travel**  0

Imagine waking up to the sparkle of the Aegean, wandering hand in hand through whitewashed villages and watching the sun set in a blaze of pink and gold. One lucky couple will have the chance to experience this dream with a two night honeymoon stay at Andronis Minois, Paros including breakfast each morning, a romantic dinner for two and private airport transfers.

About Andronis Minois, Paros

On the sun drenched shores of Paros sits Andronis Minois, the newest addition to the celebrated Andronis collection. Following a full renovation in 2023, this intimate boutique retreat has been reimagined as a sanctuary of style and island charm with just 44 suites. Each suite is individually designed and opens onto a private terrace or patio, perfect for slow mornings with coffee or starlit evenings with a glass of wine.

The interiors weave together a tapestry of Greek artistry and contemporary elegance while outside the rhythm of island life takes over. Sink into calm at the serene subterranean spa, find your place on the lively Lounge Deck where cocktails flow from day into night or keep your routine on track in the well equipped gym. Evenings are best spent at OLVO, the hotel's fine dining restaurant, where reimagined Greek flavours meet dramatic sea views in a setting designed for lingering.

Andronis Minois, Paros offers the kind of seclusion and understated glamour that makes a honeymoon feel truly special. It is at once intimate and expansive, laid back yet deeply luxurious. This is the essence of the Cyclades distilled into a romantic hideaway.
